

Dear Potential Suffrage100MA Partner,

[Suffrage100MA](#) is pleased to invite non-profit, non-partisan organizations to submit an [application](#) to become a Suffrage100MA Partner, for which there is no fee.

Suffrage100MA Background:

Suffrage100MA is dedicated to commemorating the upcoming 100th anniversary of the adoption of the 19th Amendment, which prohibits the federal and state governments from denying citizens the right to vote on the basis of sex. It took a 72-year struggle, by thousands of suffragists, to achieve adoption of the 19th Amendment in August of 1920.

A main goal of Suffrage100MA is to commemorate and tell the story of the remarkable achievement of the suffragists, including the tireless work and essential contributions of women of color, who were often excluded by white women's suffrage organizations, and whose role in the suffrage movement has been largely overlooked.

The adoption of the 19th Amendment was an enormous step forward, but it did not guarantee voting rights for all women – particularly African American women in the south. Since then, the Voting Rights Act of 1965 and other legislation have done much to help ensure voting rights for people of color. Unfortunately, however, there has been a concerted effort over the past 30 years to once again restrict voting rights and voter access in many states. The right to vote is a fundamental right that cannot be taken for granted and must be protected for all citizens. This centennial is an opportunity to learn about the voting rights history and issues faced by numerous minorities in the United States. It is also an opportunity to remind us all to appreciate, value, and exercise our right to vote!

Suffrage100MA Partner Information:

Suffrage100MA provides information and materials to Suffrage100MA Partners and encourages them to present and/or incorporate into their programming: suffrage centennial events, educational activities, exhibits, etc. that will commemorate the centennial. With expanded knowledge of the struggle for the vote, Suffrage100MA hopes that the result will be increased voter registration *and* participation.
